

# TN Game Days

## Play to Win Rules

1. **Play a game to win it.** Each attendee can win 1 game that they have played. Each attendee can win 1 additional game if the ticket drawn for it is an Advocacy ticket (see point 3) or if no one else wanted that game. TGD Volunteers are eligible to win prizes, TGD Organizers are not.
2. **Register your play.** Play a game, take the game's scanning card and the badges of all players to the librarian to register your play. Each player gets a ticket from the librarian, puts their name on it, and places it in the drawing box of a game they have played, not limited to the title they just played. You can gain 1 ticket per title as a player. Multiple plays of the same title are not awarded multiple tickets, unless...
3. **Advocate for a game.** If you teach a title to a group who has not yet played it, you can gain 1 ticket for that game as an Advocate whether you play it with them or not. Gather the group's badges and the game's barcode tag after teaching and tell the librarian you taught them. Write your name on the Advocacy ticket the librarian gives you and put it in **that title's** drawing box.
4. **Don't camp a game.** Please be quick to return it. Do not take a game from the PtW library unless you are going to play it immediately. Always be quick to return games to the correct spot on the table, near its scanning card. They are roughly sorted by first letter.
5. **Win a game!** The drawing will be held Sunday at 11am. You do not need to be present to win. You may assign a proxy by giving them your badge.
  - You/proxy must be present for this part: if you win a second game during the live drawing, you choose which title to keep, and we will draw a new name for the other title.
  - If you do not pick up your prize by 2pm on Sunday, it will be given to someone else.
  - If a game has only 1 person's name in the cup, it will not count against their 1 game limit. The same is true if we draw an Advocacy ticket.

**Example:** You can play Catan and play Alhambra then put both those tickets in the Catan jar in hopes of winning Catan. But, you cannot put both those tickets in the Carcassonne jar since you didn't play Carcassonne.
